

OUR LADY of MERCY

2016-2017 Technology Wish List

Device	Goal	Specifications	Purpose	Cost
iPads	60 Devices	iPad Air 2 (64GB) or iPad mini 4 (64GB)	iPads are used in classrooms by Students and Teachers daily to enrich and enhance the curriculum.	\$499
iZiggy Document Camera	8 Devices	iZiggy- HD Wireless Document Camera for iPad, PC and Mac	Teachers utilize document cameras to present material throughout lessons. It is also a fantastic platform used to share student work.	\$159
Apple TV	3 Devices	Apple TV 4th Generation (32GB)	Apple TVs are used in the classroom to seamlessly transition from various Apple Devices used in the classroom. The teacher is also able to access amazing content to create engaging lessons.	\$149
Promethean Board	5 Devices	ActivBoard Touch 88 with Lampless projector	Promethean Boards are used to increase student engagement through interactive presentations geared towards reaching all learners through visual, auditory and kinesthetic tools, which is vital to the ECC Pre-K Classrooms these boards would be serving.	Approximately \$3,000-\$4,000
iMac	32 Devices	Quad-Core i5 21.5 inch iMac	Our goal is to slowly upgrade our Mac Lab with a few devices each year. There are a total of 32 student computers in the Mac Lab. We would love to see this lab completely upgraded by 2018.	\$1,299
Mac Mini	2 Devices	2.5 GHz Dual-core Intel i5 processor with 8GB RAM and 512GB PCIe Flash Storage	These devices will be used in our administrative offices.	\$1,299

Sponsor a TECH TUB!!

Last year, we began a Tech Tub Pilot Program. A Tech Tub is a set of 6 iPads permanently placed in a classroom for daily use. The program saw so much success we would love to continue the model throughout our campus. The cost of the tub includes 6 devices, cases, storage, and an iTunes gift card for teachers to get started on purchasing apps. Our goal is to outfit every classroom with a Tech Tub.

\$3,000
