

Mary's Club 40 Days for Life!

October 15, 2018

We will be holding our Mary's Club meeting next month in conjunction with the 40 days for life campaign of our diocese. This is the 7th year Mary's Club will be participating by holding a group rosary at Our Lady of Mercy Church as well as a "baby shower" benefiting Catholic Charities, Sanctuary for Life which will be held immediately following the rosary. There is a great need for items to help the Sanctuary for Life.

Students will be walking with our group moderators down to the church. We will be saying the rosary in the Mary's Chapel section of the church and then students will be in the Parish Activity Center immediately following for their snack and a speaker from Catholic Charities who will be receiving the items brought by our students. Please feel free to join us in the activities if you would like, by meeting us in church by 3:30pm.

For this special meeting, we are asking that students be picked up at the Parish Activity Center located across from the Church at the regularly scheduled end time of 4:30pm. All students who will be attending extended day will be walked back to school with our moderators and checked in to extended day immediately following the meeting.

Mary's Club members, who would like to donate an item to the Sanctuary of Life, can do so by bringing an item from the list attached to the next Mary's Club meeting on Monday, October 15th.

If you have any questions, feel free to email me at smontagnino@olomschool.org

Thank you!
