

8th Grade Parent Volunteer Opportunities

Our children's eighth grade year is in full swing! As fast as it came will be as fast as it will go, so we want to help our kids make the best of their last year at Our Lady of Mercy. The best way we can do that is to become involved!

There will be many opportunities to assist with activities during your child's 8th grade year. As each event approaches, you will receive by email a Sign Up Genius which will give details of each event and ways to become involved. Be on the look out as each event approaches!

There will be many opportunities, including but not limited to:

Photographers for events

Host Families for Net Retreat

Provide lunch & snacks for Net Team Leaders and snacks for the students during retreat.

Living Rosary

Living Stations (help with costumes, rehearsals, snacks, assist where needed)

Ropes

Coastal Roots

Graduation Gown Pictures

Refreshments & Supplies for various events

Please sign up as you see fit.
