

## Christmas Collection email 11/17

Hi Parents,

I will be coordinating a voluntary Christmas Collection for the 8th grade homeroom teachers and our adopted faculty/staff members for each homeroom to be used to purchase gift cards/Christmas gifts. If you would like to contribute to the group gift, you can send a check or cash to school (to the Main Office) in an envelope with my name on it. Please include a note with your child's name, homeroom and how you would like your contribution split between your homeroom teacher and adopted staff/faculty person. If its easier, you can PayPal me at [dmbeale@bellsouth.net](mailto:dmbeale@bellsouth.net), but please include a memo via PayPal with the same information as listed above.

Each homeroom has one homeroom teacher and one "adopted" staff/faculty person. The "adopted" members are either teachers who don't have a homeroom (elective teachers) or staff members (maintenance, cafeteria, etc). Again, participation in this collection is NOT required! I'm just offering to help with your Christmas shopping :)

I will send another email once we return to school, but wanted to let you know this is an option incase you planned to start your shopping over the Thanksgiving break! The deadline for this collection will be Friday, December 15th. If you would prefer to purchase your own gift for your homeroom teacher or adopted faculty/staff member and need ideas, just let me know. I can send you a list of some of their favorite items!

I hope you all have a Happy Thanksgiving! Please let me know if you have any questions.

Thanks,  
Dawn
