Hi Parents,

The students will be taking a class picture in their graduation gowns after the May Crowning Mass on May 4th. An order form for that picture is attached to this email. This is an optional purchase! If you would like a copy of the picture, send in the completed form and your payment to the main office to either mine or Darlene Aguiard's attention. The students will get their caps and gowns prior to the May Crowning Mass.

Thanks,
Dawn
