

Hi Parents,

Just wanted to let you know that Mrs. Galliano is expecting the 8th grade Coastal Roots trip to be on October 27th. The date is not a definite yet, but we wanted to put it on your radar. Lots of parent help will be needed!! The kids will travel to a local park and plant the seedlings they have raised to help combat erosion. Its a muddy, hard working trip, but lots of fun.

Also, several people have reached out about wanting to order additional 8th grade t-shirts. We will be doing another run on those! Please email me with your size and quantity requested ASAP. The shirts are \$12 each. Checks or cash can be sent into the main office in an envelope to my attention. The deadline to submit your order is Wednesday, October 11 at 8am.

Finally, don't forget about the Living Rosary and Parent Brunch this Friday. Picture orders are optional, but should be turned in this week.

Don't forget to check the 8th grade page under the Parent tab on the school website if you need copies of any forms or reminders from previous emails.

Have a great weekend and let me know if you have any questions!

Thanks,

Dawn
