We Are Thrilled to Present New Options

Fall Session: Strings, Guitar and Piano Lessons!

New this year

K5-4th grade lessons available during school as well as during
aftercare

Violin, Viola, cello, guitar and piano lessons will occur from August through December.

Grace Notes features expert, professional string/piano teachers. The teachers at Grace Notes are members of the Baton Rouge Symphony and have a minimum of a Master's Degree and many years of teaching experience.

Grace Notes also offers instrument rentals to its students as an added convenience.

Lessons will take place at Grace Notes School of Music (2070 Silverside Dr.) or at the Our Lady of Mercy Campus.

Lessons will take place at times agreed upon by the parents and teachers.

30-minute private lessons--\$113/month (August-December)

45-minute private lessons--\$168.75/month (August-December)

30-minute semi-private lessons (2 students per class)--\$75/month (August-December) per student

Due to high interest and limited availability, Grace Notes requires parents to make a commitment for the full summer session for their child. Once a child is enrolled in the program the parents will be expected to pay the tuition due for that session.

Any student from K5 and older is eligible to take lessons. No previous musical study is required.

The gracenotesschoolofmusic.com website will have a sign-up option for everyone who is interested. For questions about this program please contact Dr. Borislava Ilcheva (concertmaster of the Baton Rouge Symphony Orchestra) by email or by text message. Thank you for your interest!
