

Science & Math Summer Camp

Registration Packet

Thank you for choosing our Science and Math Summer Camp! The purpose of this camp is to provide a fun, faith-filled environment that promotes healthy friendships, positive role models, and an opportunity to grow closer to God. During the Science and Math Camp, your child will be doing many science experiences as well as Math hands-on learning activities. We will have fun, learn so much, and make new friends.

The Registration Packet contains helpful information that explains many of the camp practices that promote a safe and healthy environment.

Application deadline: Friday, May 19th
