

Friday, March 13th

Good afternoon, Parents,

This email is to provide updates on school events at Mercy as a result of the heightened awareness of COVID-19. These changes are based upon the most current information.

Updates as of now, the changes to next week are as follows:

- 4th Grade Grandparent's Day on March 19 will be postponed, but the students will still participate in their retreat. We will look for alternative opportunities for this in the coming weeks.
- The band trip to Universal Studios over spring break is cancelled. Mr. LeBlanc will send band members' families information in a separate email.
- 1st grade St. Joseph's Altar on March 19 will be students only.
- Beginning Monday, March 16, we will not be allowing outside visitors on campus with our children. This includes attending Mass or Stations of the Cross with your children. If you are a cafeteria volunteer, we ask that you hold off on serving until further notice. We will let you know when visiting can resume.
- Please be mindful of your travel plans from now through our Easter Holiday. If you are traveling outside of the US, you must let the school know.
- We will let you know about any athletic information as that becomes available.
- Please use the following link for any up-to-date information on events cancellations: <https://mercycovid19awareness.weebly.com> This link and school emails are the only official communications from church and school.

God bless,

Mr. Porche

Ms. Monsour

Ms. LaBorde
