

SUMMER READING 2018

REQUIRED READING REINFORCEMENT

All students entering grades 4 – 8 are required to complete summer reading prior to the 2018-2019 school year start. All students will be reading **two books**. Students will be assessed on their knowledge of the plot, characters, setting, and conflicts of the novels within the first few days of school. Assessments may be given in the form of written or oral book reports, group projects, or tests. Students are encouraged to take notes while reading. Students are also encouraged to take notes using the note guide available on the olomlibrary.org website. OLOM parent reviews of the books can be found on the OLOM Library website by going to the library catalog and typing in the title of the book.

Students entering grades PK – 3 are encouraged to participate in East Baton Rouge Parish Library's Summer Reading Program. Information about the program can be found on their website at www.ebrpl.com.
