

VOLUNTEERS NEEDED:
Parent Partners/Ambassador Families

The interest in Our Lady of Mercy School for the upcoming school year has been phenomenal! There will be many new families joining our Mercy community, and we would like to extend a warm welcome to all of them.

Each year, we pair every new family with an existing family. In addition to welcoming them to the community, Parent Partners can serve as a resource for any questions they may have about school procedures, activities, upcoming events, or simply serve as a new friend to make them feel at home. Our goal is to help make their transition to Our Lady of Mercy as pleasant and smooth as possible.

If you would like to serve as a Parent Partner family please send in your contact information to the school office. If you have been a Parent Partner in the past and would like to continue with another family, please resend your information. You will be given the name and contact information of the family you will be paired with, and you will be able to make a first introductory contact with your new family.

Thank you for considering this request to participate in this most important ministry. We want to embrace our parish and school's reputation of hospitality as we welcome these new families into our Mercy community!
