

Our Lady of Mercy 2022 Fun Walk Friday, November 4

DEADLINE TO REGISTER: FRIDAY, OCTOBER 14

On Friday, November 4, our students will have the opportunity to put down their books and make some memories as a community by participating in the 2022 We are Mercy Fun Walk! With November being a time that we remember and pray for those that are no longer with us, Mercy is bringing back a wonderful memory from our school's past - The Fun Walk. ***This event will truly be a chance to honor our past by walking the in the footsteps of those who came before us!***

The Fun Walk will take place on the football field during the school day. Students will walk over to the field as a grade and try to walk or run as many laps around the field as possible during their grade's allotted walk time. We will have a school wide goal of walking 2,000 miles.

If students accomplish this goal of 2,000 miles, they will get to pie the principal! In addition, grades will compete for the greatest percentage of participation, with the top grade winning a pizza party.

Students who choose not to participate in the walk will still go to the field and cheer on their classmates from the stands. Water, popsicles, music and FUN will be provided for all! Parents are welcome to come cheer on their child. **More details, including the schedule of the day's events, will be provided soon!**
