

8/22/17

Hi Parents,

My name is Dawn Beale and I will be helping with 8th grade this year. Please see the attached document for important beginning information as we kick off the school year. It will be a fun and fast year!

The kids voted on their 8th grade shirt color and signed their design yesterday at school. Their shirt sizes were also collected. Feel free to email me if you would like to double check the shirt size your student gave.

If there is anyone you would like to add to this email list or if I have duplicated your email address, please let me know. This is the email address we will be using this year for communication.

Finally, the 8th grade Planning Meeting on the school calendar for later this week is for faculty and staff planning purposes. Parents don't need to attend. You'll have lots of others things to do this year!

Thanks,
Dawn
